Description :

PDF-4a86c | Anthony Caro is one of the world's most respected and influential sculptors. Best known for his radical brightly painted abstract steel sculptures of the 1960s - and, more recently, for London's Millennium Footbridge, the slenderest, most graceful of steel structures, designed in partnership with architect Norman Foster and engineers Ove Arup & Partners - Caro has been a continual innovator in a c... *Anthony Caro: A Life in Sculpture (Art Recently Published)*
