Description :

PDF-354d8 | Born in Yorkshire in 1903, Barbara Hepworth was determined to become a sculptor despite the misgivings of her parents and the common attitude at the time that a woman studying sculpture was not to be taken seriously. She was part of the generation of British artists that included Henry Moore (with whom she studied in Leeds) and Ben Nicholson (whom she married), and her sculpture explored the forms... *Barbara Hepworth (World of Art) (English and Dutch Edition)*
