Description :

PDF-193b0 | How do we place a value on a painting, or a piece of music, or a traditional ritual? The market can determine a price in monetary terms for a variety of cultural phenomena, but how much does that tell us about the real value of these things? This book explores the tensions between economic and cultural value from a range of disciplinary viewpoints and provides many new insights into how value is c... *Beyond Price: Value in Culture, Economics, and the Arts (Murphy Institute Studies in Political Economy)*
