Description :

PDF-5a19c | One of the most important but often overlooked components the world is able to use is creativity. Growing up, we tend to lose it for the sake of becoming what is deemed normal. Creativity is something I value very deeply and I hope for this to inspire those reading to utilize their God-given gift of it not for themselves, but for others. It starts with an idea, creating it, executing it, and lever... *Create, Execute, Repeat: Leveraging Creativity in Business and Life*
