by Claire Rowland : **Designing Connected Products: UX for the Consumer Internet of Things**

ISBN : #1449372562 | Date : 2015-05-31

Description :

PDF-ebe56 | Networked thermostats, fitness monitors, and door locks show that the Internet of Things can (and will) enable new ways for people to interact with the world around them. But designing connected products for consumers brings new challenges beyond conventional software UI and interaction design. This book provides experienced UX designers and technologists with a clear and practical roadmap for appr... *Designing Connected Products: UX for the Consumer Internet of Things*
