Description :

PDF-65590 | In the spring of 1820, on the Aegean island of Melos, an unsuspecting farmer was digging for marble building blocks when he unearthed the statue that would come to be known as the Venus de Milo. From the moment of its discovery a battle for possession ensued and was won, eventually, by the French. Touted by her keepers in the Louvre as the great classical find of the era, the sculpture gained inst... *Disarmed: The Story of the Venus de Milo*
