Description :

PDF-21c66 | The digital age has fundamentally changed traditional notions of who we are and how we wish to be perceived. The music producer Chris Walla puts it this way: Confronted with our significantly more banal everyday life, we re measuring our actual selves against our online selves with hopeful resignation. Doppelganger presents current trends in the depiction of human beings. In today s images and scu... *Doppelganger: Images of the Human Being*
