Description :

PDF-38291 | What is the function of art in the era of digital globalization? How can one think of art institutions in an age defined by planetary civil war, growing inequality, and proprietary digital technology? The boundaries of such institutions have grown fuzzy. They extend from a region where the audience is pumped for tweets to a future of “neurocurating,” in which paintings surveil their audience vi... *Duty Free Art: Art in the Age of Planetary Civil War*
