Description :

PDF-d4253 | Though mankind has made many advances in the past few centuries, we have not quite mastered the art of flying, certainly not to the extent that birds have. Thus Luca Buvoli's notes and research and diagrams on the art of flying are greatly appreciated, especially this uniquely assembled artist's book, in which he offers tips for the intermediate flyer.... *Flying: Practical Training for Intermediates (Notes 1997-2002)*
