Description :

PDF-f5eb8 | A Forest of Signs documents a major exhibition of critical art in the last decade, one that marks a change in the art world, perhaps even in the broader culture. The thread of representation ties together the work of the 30 artists included in the book, encompassing such issues as allegory, appropriation, and commodification, the role of the artist, and the functions of authorship and originality ... *A Forest Of Signs: Art in the Crisis of Representation*
