ISBN : #1932026606 | Date : 2010-02-10

Description :

PDF-152bf | A photographer/designer encourages painters to use their digital cameras as part of their painting process. The book illustrates how the camera and the human eye are alike and yet different. Rather than a deep dive into camera functionality, the author points to the several functions that are important to a painter. White balance and its relationship to painting is also discussed. The book is ampl... *HOW PHOTOGRAPHY CAN MAKE YOU A BETTER PAINTER*
