Description :

PDF-aca04 | When art and design students are asked for statements to accompany their work, reflective journals, or critiques, reviews and essays, they often freeze up because they have to put their thoughts in writing. Although these students are comfortable expressing themselves visually, they lack confidence working with words. *Inspiring Writing in Art and Design* is a practical aid for those students who ar... *Inspiring Writing in Art and Design: Taking a Line for a Write*
