Description :

PDF-b8f3c | The illegal trade of art, antiques, and other cultural objects is one of the most prevalent categories of international crime. Documentation is a crucial security measure, for law enforcement officials can rarely recover and return objects that have not been photographed and adequately described. Object ID is an international standard which outlines the minimum information needed to identify stole... *Introduction to Object ID: Guidelines for Making Records that Describe Art, Antiques, and Antiquities (Introduction to Series)*
