Description :

PDF-7e4de | What is the nature of computer games, and what happens when we play them? This book describes human play as a semiotic process and computer game play as a fundamental act of human cognition, or «semiosis». Offering one of the first fully articulated theories of computer games based on game play rather than game texts, *The Nature of Computer Games* mounts a serious challenge to literary critics, c... *The Nature of Computer Games: Play as Semiosis (Digital Formations)*
