Description :

PDF-669fa | Commissioned by the Wallace Foundation, this book explores research indicating that youth are learning new ways to engage in the arts on their own time and according to their own interests. Digital technologies, such as production tools and social media, allow youth to create and share their art. Kylie Peppler urges educators and policy makers to take advantage of «arts learning opportunities» a... *New Creativity Paradigms: Arts Learning in the Digital Age (New Literacies and Digital Epistemologies)*
