Description :

PDF-1687d | The many meanings of obelisks across nearly forty centuries, from Ancient Egypt (which invented them) to twentieth-century America (which put them in Hollywood epics). Nearly every empire worthy of the name--from ancient Rome to the United States--has sought an Egyptian obelisk to place in the center of a ceremonial space. Obelisks--giant standing stones, invented in Ancient Egypt as sacred objects... *Obelisk: A History (Publications of the Burndy Library)*
