Description :

PDF-cbbc4 | This is a study of the formative period in the career of the American abstract artist, Georgia O'Keeffe (1887-1986). The colour reproductions in the book, which was published to accompany an exhibition held at the Marion Koogler MacNay Art Museum in San Antonio, Texas, in the spring of 1998, present powerful images made in Texas between 1912 and 1918 - all of them different from the flowers and an... *O'Keeffe and Texas*
