Description :

PDF-e98f4 | Toys are getting increasingly expensive and complicated. Upon the creation of interactive games, the promise was held out that you could travel to other worlds, but it was still just a promise. You couldn't reach out, touch, feel, and truly interact with those places. Wouldn't it be great to be able to create a starship from something as vivid as your own imagination? A ship that you could hold, b... *Paper Universe (Star Trek)*
