Description :

PDF-68c3c | It used to be that you could ignore RFPs. Only a small portion of the market used them in their buying process and you could work around those companies. Today, governance rules dictated by boards and administered by finance have made RFPs and RFQs a dominating component of the large-deal world. Not only can you no longer ignore them, but you need to know that companies use RFPs-and increasingly p... *RFPs Suck! How to Master the RFP System Once and for All to Win Big Business*
