Description :

PDF-1bd80 | A critical primer on artist Richard Serra's work. Richard Serra is considered by many to be the most important sculptor of the postwar period. The essays in this volume cover the complete span of Serra's work to date -- from his first experiments with materials and processes through his early films and site works to his current series of "torqued ellipses." There is a special emphasis on those mome... *Richard Serra (October Files)*
