Description :

PDF-2f429 | William Bouguereau (1825–1905) was an influential French academic painter, who taught a long succession of gifted students, primarily at the private Académie Julian in Paris. Among them, Bouguereau instructed more than two hundred young American artists. In the Studios of Paris provides a unique look at the history of Parisian art education during the last quarter of the 19th century and its pro... *In the Studios of Paris: William Bouguereau and His American Students*
