Description :

PDF-aa22b | Jonathan Crary's *Techniques of the Observer* provides a dramatically new perspective on the visual culture of the nineteenth century, reassessing problems of both visual modernism and social modernity. This analysis of the historical formation of the observer is a compelling account of the prehistory of the society of the spectacle. In *Techniques of the Observer* Jonathan Crary provides a dramaticall... *Techniques of the Observer: On Vision and Modernity in the 19th Century (October Books)*
