Description :

PDF-9d5c7 | A self-help book for healing issues around artistic frustration. It consists of a series of reflections that encourages the reader to become aware of what they love and enjoy rather than trying to be "good," which entails judgement and comparison. Art is the perfect environment to find love. You don't need another person and there's so much to love because using colour and form is FUN! Unconscious... *That Spark of Life -: Developing the Desire to Do Art*
