Description :

PDF-5067e | In *The Great Pretender*, kinetic artist Theo Jansen shows that the concept of 'I' is merely a tool in our evolution. We need this tool to be selfish. There can be no selfishness without the I-fantasy. Since 1990, Theo Jansen has been engaged in creating new forms of life: beach animals made from yellow plastic tubing. Skeletons made from these tubes are able to walk, deriving their nutrition fr... *Theo Jansen: The Great Pretender*
