Description :

PDF-af485 | The twelve contributors to A/r/tography explore ways in which the visual arts can be used as a means of representation for educational research. What makes this book unique is that each contributor is an artist and teacher and researcher, and each treats image as an integral component of the inquiry process. Contributing artist-authors use their own artistic practices as primary or complementary p... *A/R/Tography: Rendering Self Through Arts-Based Living Inquiry*
