by Michaela Strauss : **Understanding Children's Drawings - The Path to Manhood**

ISBN : #0854403302 | Date : 1978

Description :

PDF-1d295 | Beautifully illustrated with dozens of children's drawings, this is an in-depth, yet easy to follow introduction to art in early childhood. These pictures are interpreted so as to make visible the universality of artistic expression in the first seven years. Ms. Strauss interprets such elements as line and movement, line to surface and from symbol to illustration. This slightly oversized volume al... *Understanding Children's Drawings - The Path to Manhood*
