Description :

PDF-10cc2 | William Kentridge's recent work is situated on the border between art and science: by examining our perception and understanding of time, he reconsiders the creative process. A work in progress in the truest sense, *The Refusal of Time* continues and deepens the polymorphic, dreamlike, political and humanist body of work developed by Kentridge from his very earliest days as an artist. An installat... *William Kentridge: The Refusal of Time*
